Data Source

Data : Census 2021, Office for National Statistics

Data based on Neighbourhoods (Lower Super Output Areas / LSOAs). They comprise between 400 and 1,200 households and have a usually resident population between 1,000 and 3,000 persons.

Note : The figures for the individual areas do not add up to the exact total of Gwynedd due to the ONS's method of slightly adjusting the figures for small areas to protect confidentiality
