***The Fix-It Man** – Dimity Powell

The Fix-It Man is a poignant picture book that explores how a child can cope with the loss of a parent (in this case, the young girl's mother). Repairing damaged emotions is not as straightforward as gluing a broken kite back together or sewing up a torn toy. And grief affects all members of a family, with each responding in their own way to the loss. By sticking with her father, the young girl is able to strengthen her resilience and ability to cope with one of life's harshest experiences. The author was encouraged to seek publication for this story after receiving the endorsement of several grief counsellors who work with children and who recognised the need for a book such as this.
