### **Tourism and Hospitality Businesses: keep your staff, customers and the community safe**

Thanks for all your efforts as you've reopened, we've had some great feedback about the work you're doing. Here are a few top tips from the Council's Public Protection Teams after the bank holiday weekend:

- Remember marquees and other temporary structures should be open on at least 3 sides
- It's compulsory for hospitality businesses (including pubs, bars, cafes and restaurants) to collect the details of staff, customers and visitors and keep this information in a safe place for 21 days. Displaying a NHS App QR code on its own doesn't comply with the rules. The names, contact telephone numbers and a record of the date and arrival time of everyone (over 18) must be collected
- To stop people congregating and make it easier to collect contact information stick to advance bookings if you can
- Entry to beer gardens needs to be controlled and these spaces should be supervised just like indoors

There are some great checklists available in poster format to support the Guidance for Tourism and Hospitality businesses, which outline the key measures you should implement to keep your staff, customers and visitors safe.

## **New online tools to help prevent, lower and manage stress at work**

The Health and Safety Executive (HSE) have launched a new stress indicator tool to measure attitudes and perceptions towards work-related stress. It's free to use for up to 50 employees and can help business owners get a good

understanding of stress at work and how to prevent, reduce and manage it. Go to:

## **Mental Health Awareness Week: Connect with nature 10-16 May 2021**

Mental Health Awareness Week is happening next week, 10-16 May 2021 and is hosted by the Mental Health Foundation. The theme is 'Nature'. Research on the mental health impacts of the pandemic showed going for walks outside was one of our top coping strategies and 45% of us reported being in green spaces had been vital for our mental health.
