COVID-19: Measures to protect businesses from eviction extended

The Welsh Government has announced that businesses affected by the Coronavirus pandemic will now be protected from eviction until the end of September 2021 (originally due to end on 30 June, 2021). Businesses should continue to pay rent wherever possible, but will not forfeit their tenancies for non-payment of rent until 30 September this year. To read the statement in full, go to:

COVID-19: Lateral Flow Tests (LFTs) | Vaccination

In Wales, people who cannot work from home can get lateral flow tests for themselves and their household. Staff – particularly those in customer facing roles – should be encouraged to test themselves regularly.

A distribution centre for LFT's is located at Dean Street Car Park, Bangor LL57 1UT, and is open from 8:00am – 1:00pm daily. More LFT distribution centres in Gwynedd are planned and we will circulate the details when available.

Home test kits of 7 tests can also be ordered online by going to:

You can also play your part by encouraging your staff to take up the offer of vaccinations for all adults over 18. Appointments can be booked by calling 0300 084 0004 or going to:
