AELOD CABINET/CABINET MEMBER
Cynghorydd / *Councillor* Dafydd Meurig

PENDERFYNIAD/DECISION
Cymeradwyo rhestr o ffioedd ar gyfer y Gwasanaeth Trafnidiaeth a Gofal Stryd.
Approve a schedule of fees for the Transportation and Street Care Service.

RHESYMAU DROS Y PENDERFYNIAD/REASONS FOR THE DECISION
Sefydlu ffioedd ar gyfer Gwasanaethau Trafnidiaeth a Gofal Stryd ar gyfer 2015/16.
Establish fees for Transportation and Street Care Services for 2015/16.

Gorchmynion Cau Ffyrdd a Rheoli Traffig Dros Dro
Mae'n ofyn statudol i'r adran ddarparu'r gwasanaeth uchod yn unol â'r Ddeddf Rheoliadau Traffig y Ffyrdd 1984.

Yn dilyn adolygiad llawn gan yr adran Strategol a Gwella yn 2014, amlinellwyd nad oes ffrwd incwm addas i gyllido costau rhedeg y gwasanaeth, mewn gwirionedd, mae'r gofyn statudol hwn yn creu colled i'r Cyngor o £24,931 y flwyddyn (Gwir ffigyrau 2013-14).

Mae'r cyfrifiadau sydd yn deillio o'r adolygiad yn cyfiawnhau cynyddu'r ffi bresennol am orchymyn cau ffordd dros dro (gan gynnwys costau hysbysebu a chyfreithiol) o £1,550 i £1,975 a chynyddu'r ffi bresennol am gau ffordd mewn argyfwng o £615 i £850 (copi o'r cyfrifiadau perthnasol ynghlwm).

Trwyddedau Parcio
Ceir trwyddedau parcio arferol eu caniatáu mewn amgylchiadau ble mae'n hanfodol i weithwyr gael mynediad rhwydd at eu cerbyd. Mae'r drwydded yn ddilys am 7 diwrnod dilynol ac yn eithrio'r cerbyd o rwystrau ar y briffordd e.e. llinellau melyn a baeau gyda chyfyngiad amser.

Erbyn hyn, gwelwn fod y ffi bresennol o £20 am 7 diwrnod dilynol yn rhatach na defnyddio maes parcio ac felly, mae'n annog gweithwyr i brynu trwydded heb wir angen eu cerbyd wrth law.

I osgoi hyn, rydym yn bwriadu cynyddu'r ffi am 7 diwrnod dilynol i £70 a chyflwyno trwydded dyddiol gyda chost o £10 y dydd.

Trwyddedau Parcio Masnachol
Ceir trwyddedau parcio masnachol eu caniatáu i gwmnïau sydd â bwriad i farchnata / hysbysebu cynnyrch neu wasanaeth. Mae'r drwydded yn ddilys am 7 diwrnod dilynol ac yn eithrio'r cerbyd o rwystrau e.e. parth i gerddwyr neu Y Maes, Caernarfon.

Erbyn hyn, gwelwn fod y ffi bresennol o £200 am 7 diwrnod dilynol yn anfforddiadwy i gwmnïau bychain, sydd o ganlyniad yn mynd ymlaen i barcio yn anghyfreithlon.

I osgoi hyn, rydym yn bwriadu lleihau'r ffi am 7 diwrnod dilynol i £105 a chyflwyno trwydded dyddiol gyda chost o £15 y dydd.

Rhagamcanion dros y Briffordd
Mae'r ffi arfaethedig Adran 178 yn unol â'r Ddeddf Priffyrdd 1980 yn ymdrin â chraeniau twr, fflagiau ac addurniadau tymhorol. Ei bwrpas yw atal difrod a niwed i bobl sydd yn defnyddio'r briffordd.
Bydd y caniatâd a roddir gan y Cyngor o dan y darpariaethau hyn yn cynnwys cyfres o delerau ac amodau o ran y gosod, lleoliad, cynnal a chadw a chael gwared ar eitemau o'r fath. Credwn fod y gofynion hyn yn deg ac yn rhesymol, gan gadw mewn cof yr angen i ddiogelu'r cyhoedd yn ogystal â'r ymgeisydd.
Rydym yn bwriadu cyflwyno ffi newydd o £31 sydd wedi ei sefydlu wrth bwyso a mesur yr ymdrech a fuddsoddir i roi'r gwasanaeth yn flaenorol.

Unrhyw Sgaffaldiau heb Drwydded
Mae'r ffi arfaethedig Adran 169 yn unol â'r Ddeddf Priffyrdd 1980 yn ymdrin â sgaffaldiau sydd wedi eu gosod heb ganiatâd y Cyngor.

Mae'r drwydded a roddir gan y Cyngor o dan y darpariaethau hyn yn cynnwys cyfres o delerau ac amodau o ran y gosod, lleoliad, cynnal a chadw a chael gwared ar eitemau o'r fath. Credwn fod y gofynion hyn yn deg ac yn rhesymol, gan gadw mewn cof yr angen i ddiogelu'r cyhoedd yn ogystal â'r ymgeisydd.

Rydym yn bwriadu cyflwyno ffi newydd o £100 sydd wedi ei sefydlu wrth bwyso a mesur yr ymdrech a fuddsoddir i roi'r gwasanaeth yn flaenorol (costau gweinyddol / archwilio ychwanegol). Mae'r ffi yn uwch na thrwydded arferol yn y gobaith o annog ymgeiswyr i ddilyn y broses gywir.

Caniatâd am Rampiau Mynediad
Mae'r ffi arfaethedig Adran 115 yn unol â'r Ddeddf Priffyrdd 1980 yn ymdrin â cheisiadau i lunio rampiau mynediad ar y Briffordd.
Bydd y caniatâd a roddir gan y Cyngor o dan y darpariaethau hyn yn cynnwys cyfres o delerau ac amodau o ran y gosod, lleoliad a materion cynnal a chadw. Credwn fod y gofynion hyn yn deg ac yn rhesymol, gan gadw mewn cof yr angen i ddiogelu'r cyhoedd yn ogystal â'r ymgeisydd.
Rydym yn bwriadu cyflwyno ffi newydd o £150 sydd wedi ei sefydlu wrth bwyso a mesur yr ymdrech a fuddsoddir i roi'r gwasanaeth yn flaenorol.

Byrddau Hysbysebu ar y Briffordd
Yn unol â chymeradwyaeth adroddiad Byrddau Hysbysebu a Strywthurau Hysbysebu ar y Briffordd rydym yn bwriadu codi ffi o £50 am roi'r byrddau uchod yn ôl i'r cwmnïau.

Road Closure Orders and Temporary Traffic Management
The Department has a statutory obligation to provide this service in accordance with the Road Traffic Regulations Act 1984.

Further to a full review that was undertaken by the Strategic and Improvements Department in 2014, it was highlighted that the income generated was not sufficient to finance running costs of the service, in truth, this statutory obligation currently making a loss of £24,931 per annum to Gwynedd Council (2013-14 Actual Figures).

The calculations that derive from the review justifies increasing the current fee for a temporary road closure order (which includes advertising and legal fees) from £1,550 to £1,975 and increase the current fee for emergency road closures from £615 to £850 (see attached a copy of the relevant calculations)

Parking Permits
Parking permits are usually permitted in circumstances where it is essential for

workers to have easy access to their work vehicle. The permit is valid for 7 consecutive days and the vehicle is exempt from certain highway restrictions e.g. yellow lines and limited waiting bays.

The current fee of £20 for 7 consecutive days is cheaper than using a nearby car park, therefore, encourages workers to purchase a permit where often, easy access to the vehicle is not required.

In order to avoid this, our intention is to increase the fee for 7 consecutive days to £70 and introduce a daily permit which costs £10 per day.

Commercial Parking Permits

Commercial parking permits are permitted in circumstances where companies are intending to advertise / market a product or service. The permit is valid for 7 consecutive days and the vehicle is exempt from certain highway restrictions e.g. pedestrian zone or Y Maes, Caernarfon.

The current fee of £200 for 7 consecutive days is unaffordable for smaller companies, which results in parking illegally.

In order to avoid this, our intention is to decrease the fee for 7 consecutive days to £105 and introduce a daily permit which costs £15 per day.

Projections over the Highway

The proposed fee for Section 178 is in accordance with the Highways Act 1980 and covers projections over the highway such as tower cranes, flags, buntings and seasonal decorations. Its purpose is to prevent, as far as possible, damage and injury to persons using the highway, which might arise if the placing of the tower crane bunting etc was unregulated.
Consent given by the Council under these provisions will therefore have attached to it a series of terms and conditions with regard to the fixing, placement, maintenance and removal of such items. The requirements are thought to be fair and reasonable, bearing in mind the need to protect the public and the applicant, and also in the event of any claim arising as a consequence of placement.
Our intention is to introduce a fee of £31 which has been based on our previous experience of dealing with such applications, consideration was also given to the time / effort invested in the process.

Any Unlicenced Scaffoldings

The proposed fee for Section 169 is in accordance with the Highways Act 1980 and covers scaffoldings installed without prior consent from the Council.

Consent given by the Council under these provisions will therefore have attached to it a series of terms and conditions with regard to the fixing, placement and removal of such items. The requirements are thought to be fair and reasonable, bearing in mind the need to protect the public and the applicant, and also in the event of any claim arising as a consequence of placement.
Our intention is to introduce a fee of £100 which has been based on our previous experience of dealing with such applications, consideration was also given to the time / effort invested in the process (costs include additional administration / inspection). The fee is higher than the usual permit, purposely to encourage applicants to follow the correct procedure.

Consent for Access Ramps

The proposed fee for Section 115 is in accordance with the Highways Act 1980 and covers designing access ramps on the highway.

Consent given by the Council under these provisions will therefore have attached to it a series of terms and conditions with regard to the fixing, placement and maintenance of such items. The requirements are thought to be fair and reasonable, bearing in mind the need to protect the public and the applicant, and also in the event of any claim arising as a consequence of placement.
Our intention is to introduce a fee of £150 which has been based on our previous experience of dealing with such applications, consideration was also given to the time / effort invested in the process.

'A' Boards and Advertising Structures on the Highway
In accordance with the approval of the 'A' Boards and Advertising Structures on the Highway' report, our intention is to introduce a fee of £50 fee for returned signage.

YSTYRIAETHAU NEU DDADLEUON ERAILL/CONSIDERATIONS OR OPPOSING VIEWS

Mae ffioedd arfaethedig cau ffyrdd, thrwyddedau parcio a ffioedd newydd a gyflwynir am wasanaeth gofal stryd ar gyfer 2015/16 o'i gymharu â ffioedd cyfatebol Awdurdodau lleol eraill yng Ngogledd Cymru yn parhau i fod yn gymharol a rhesymol.

The proposed road closure, parking dispensation and new fees introduced for street works services for 2015/16 continue to be comparable and reasonable when compared with fees charged at other Local Authorities in North Wales.

BARN Y SWYDDOGION STATUDOL/VIEWS OF STATUTORY OFFICERS

Dim i'w ychwanegu/ *Nothing to add*

2. Swyddog Monitro/ *Monitoring Officer*:-
Dim sylwadau i'w hychwanegu o safbwynt priodoldeb/ *No comments to add with regard to propriety*

3. Prif Swyddog Cyllid/*Chief Finance Officer*:-
Rwy'n cefnogi'r ffioedd argymhellir yma ar gyfer 2015/16. Gyda rhai o'r ffioedd, pe bai tueddiad defnydd cyfredol y gwasanaethau yn parhau, byddai lefel y cyfanswm incwm perthnasol yn debygol o gyfarch y targed incwm perthnasol yng nghyllideb yr Adran. Mae rhai ffioedd newydd wedi'u cyflwyno er mwyn cyfrannu at y rhaglen arbedion ac mae adolygiad manwl wedi ei wneud ar ffioedd eraill i adennill costau, tra mae rhai ffioedd yn statudol ac felly ni welir cynnydd yn rheiny.
I support the fees recommended here for 2015/16. With some of the fees, should the current trend regarding the use of the services continue, the level of total relevant income would likely meet the relevant income target in the Department's budget. Some new fees have been introduced in order to contribute to the savings regime and a detailed review has been undertaken on other fees to reclaim costs, whilst other fees are statutory and therefore they will see no increase.
