### RHESYMAU DROS Y PENDERFYNIAID / REASONS FOR THE DECISION

Yn ei gyfarfod 15.09.2009 mabwysiadodd Bwrdd y Cyngor Bolisi Ol-ddefnydd Ad-Drefnu Ysgolion.

Cydnabyddai'r Polisi fod y Cynllun Ad-Drefnu Ysgolion yn debygol o arwain at sefyllfaeodd ble bydd safleoedd ysgolion yn weddill i anghenion y Cyngor ar gyfer cyflwyno gwasanaeth.

Penderfynwyd byddai safleoedd sydd yn cael eu datgan yn weddill i anghenion yn sgil y Cynllun Ad-drefnu Ysgolion yn cael eu gwaredu, a hynny yn unol â'r egwyddorion, polisiau gwaredu eiddo a'r gofynion statudol arferol. Rhan greiddiol o'r polisi ôl ddefnydd oedd rhoi cyfle teg i'r cymunedau sy'n cael eu heffeithio pan fo ysgol yn cau, i ystyried llunio cynllun busnes i gefnogi cymryd perchnogaeth o'r eiddo. Penderfynwyd hefyd y dylid cyflwyno adroddiad gwerthu penodol ar gyfer pob safle ysgol am sêl bendith y Pwyllgor Ardal perthnasol. Yn dilyn yr ad-drefniad cyfansoddiadol yn 2012, gorffwysa'r awdurdod cyfatebol gyda'r Aelod Cabinet Perthnasol.

Er mwyn cyflawni ei ddyletswydd dan Adran 123 o Ddeddf Llywodraeth Leol 1972, rhaid i'r Cyngor sicrhau'r pris gorau posib wrth waredu eiddo. Gan hynny, polisi'r Cyngor yw gwaredu ar y farchnad agored fel bod gan unrhyw un sydd â diddordeb gyfle i brynu neu brydlesu. Bydd hyn yn sicrhau'r pris gorau ac yn sicrhau tryloywder. Fodd bynnag, mae rhai eiddo na fyddent oherwydd eu maint, eu natur a'u lleoliad, dim ond o ddiddordeb i un defnyddiwr yn unig. Mewn achosion o'r fath argymhellir peidio gwaredu ar y farchnad agored ond yn hytrach gwerthu neu ei osod yn uniongyrchol i'r unig brynwyr neu denant tebygol drwy drafodaeth breifat. Gofynnir am ganiatâd penodol i wneud hyn ym mhob achos.

Oherwydd bodolaeth prydles ddiogel ar ran sylweddol o'r eiddo mae'r sefyllfa fel y disgrifir uchod; golyga'r brydles â'r hawliau cysylltiedig nad yw'r eiddo yn ddeniadol i ddarpar brynwyr ac felly trwy waredu'r safle i'r prynwyr gyda sel bendith y prydlesai mae sicrhau gwarediad y safle fwyafrifeithiol. Hefyd, bydd gwerthu i Y Ganolfan Bryncrug Community Centre Ltd. yn hwyluso datblygiad er budd cymunedol.

Golyga effaith y brydles a chynhwysiad cymalau yn y gwerthiant i gyfyngu defnydd y safle i 'Ganolfan Gymunedol' yn unig, mae gwerth enwol sydd gan yr eiddo.

Ni does unrhyw fwriad gwerthu am lai na gwerth y farchnad.

*In its meeting of the 15.09.2009 the Council Board adopted Post-use Policies pertaining to the Re-organisation of Primary Schools.*

*The Policy recognises that the Re-organisation of Primary Schools is likely to result in situations where school sites are surplus to the Council's requirements for the provision of services.*

*It was resolved that school sites declared surplus to requirements as a consequence of the Re-organisation of Primary Schools would be disposed of in accordance with the usual property disposal principles and policies and statutory requirements. A core part of the post-use policy was to invite the communities effected by a school closure to consider formulating a business plan for the community ownership of the school site.*

*It was also resolved that a sale report should be submitted to the Area Committee for approval in relation to all school sites. Following the constitutional reorganisation in 2012, the equivalent authority now rests with the relevant Cabinet Member.*

*In order to discharge its duty pursuant to Section 123 of the Local Government Act 1972, the Council must ensure best value when disposing of any surplus property. Therefore, it is the Council's policy to dispose on the open market ensuring that all interested parties have an opportunity to buy or rent. This will ensure that the best price possible is achieved and ensures transparency. However, there are certain portions of land that are due to their size, nature and location only of interest to one prospective user. In such cases; it is recommended that the property is not disposed of on the open market; rather that it should be sold or let to the one prospective purchaser or tenant. Particular authority is sought in each such case.*

*Due to a substantial part of the property being subject to a secure lease this situation is as described above; the lease and associated rights mean that the property is unattractive to perspective purchasers and therefore it is by selling the site to the purchasers with the lessee's approval that the disposal of the site can be most effectively secured. Also, the sale to Y Ganolfan Bryncrug Community Centre Ltd. will facilitate a development that will provide community benefit.*

*The impact of the lease together with the inclusion of covenants restricting the use of the site to use as a 'Community Centre' that the property only has nominal value.*

*There is no intention to dispose for less than market value.*
