

THE YOUTH SERVICE OF TOMORROW

Public Consultation November - December 2017.

We received **3,391** responses to the survey. This is what the people of Gwynedd said:

"The Youth Service should concentrate on skills development, personal development and supporting health and well being."

"The Youth Service should provide different things for young people as they grow up: a program of fun activities for those aged between 11-19 and one to one support for those aged between 16-25."

64%

Expressed support for the new option that was put forward by the Youth Service.

More activities and opportunities for young people!

Clubs moving from area to area so more can take part!

Develop skills and gain confidence!

Access to support and advice from Youth Workers!

Does anything worry you about the new option that was put forward by the Youth Service?

Traveling long distances to reach the activities!

Less support to other organizations!

No activities on a regular basis!

The local youth club will close!

Thank you to everyone who took part!

During the next few months your feedback will go to the Scrutiny Committee and Cabinet before deciding on the best option for the future. For more information about Gwynedd Council consultations go to:
