

## Minor Joint Committees in Wales Annual Return for the Year Ended 31 March 2013

Minor joint committees in Wales must prepare in accordance with proper practices, an income and expenditure account and a balance sheet for each year. The Local Authorities (Capital Finance and Accounting)(Wales) Regulations 2003 provide that the One Voice Wales/SLCC Guidance publication *Governance and accountability for local Committees in Wales – A Practitioners' Guide (2011)* (the Practitioners' Guide) are proper practices for minor joint committees. The Practitioners' Guide sets out a simple form of income and expenditure account and balance sheet that may be completed in the form of this Annual Return. **Please complete all sections highlighted in red.** Incomplete or incorrect returns may require additional external audit work and incur additional costs.

Further guidance is included in Section 5 and in the Practitioners' Guide. Section 2 includes references to where the guide has further information.

The accounts and audit arrangements follow the process as set out below. **The Responsible Financial Officer (RFO) MUST sign the certificate on this page before 30 June.** Committees are requested to complete the confirmation below before the Clerk submits a copy of the Annual Return to the auditor. The RFO will certify Section 3 and the Committee will approve the Annual Return and sign Section 3 at the conclusion of the audit following receipt of the external auditor's report.

#### External auditor's report

Except for the matters reported below, On the basis of our review, in our opinion, the information contained in the Annual Return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 12 of the Public Audit (Wales) Act 2004 states that 'a joint committee of two or more (local) authorities' is a local government body. Section 13 of the act requires local government bodies in Wales to maintain accounts that are subject to annual audit. Where the higher of income or expenditure is less than £1million the joint committee is classed as a minor joint committee and may prepare accounting statements in the form of an annual return. In the 2011-12 financial year, the Joint Planning Policy Committee has not complied with this requirement and failed to produce an annual return in accordance with statutory requirements.

[This matter along with other matters not affecting our opinion which we draw to the attention of the Committee/meeting are included in our report to the Committee dated 24 September 2013.]

## Section 5 – Guidance notes on completing the 2013 Annual Return

1. For guidance please read the Practitioners' Guide (*Governance and accountability for local Committees: A Practitioners' Guide 2011 (Wales)*) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. **The Wales Audit Office Good Practice Exchange ([www.wao.gov.uk/2594.asp](http://www.wao.gov.uk/2594.asp)) provides further information on the accounts and audit process along with guidance on governance matters.**
3. Please make sure that Sections 1, 2 and 4 are completed (ie, no empty red boxes) by the appropriate person and the certificates on page 1 are properly signed and dated. Avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are properly initialled and an explanation for them is provided to the auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited.
4. Use the checklist provided below. Use a second pair of eyes, perhaps your internal auditor or the Chair, to review your Annual Return for completeness before sending a copy to the auditor.
5. Make sure that the copy of the bank reconciliation you send to your auditor with the copy Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Committee holds any investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to Line 9 in Section 1. More help on bank reconciliation is available in the Practitioners' Guide\*.
6. Please **explain fully** any significant variances in the accounting statements. The auditor wants to know that **you** understand the reasons for the change. Please include a relevant and quantified analysis as shown in the Practitioners' Guide examples and not just a copy of your detailed accounts.
7. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful. Please ensure that you enclose all the information that the auditor has asked for. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances this may incur additional costs for which the auditor is entitled to charge additional fees.
8. Please make sure that Section 1 adds up! Also please ensure that the balance carried forward from the previous year (Line 7 of 2010) equals the balance brought forward in the current year (Line 1 of 2013).
9. **Do not complete the External Audit Certificate in Section 3.** The external auditor completes this after the Committee approves the Annual Return following receipt of the external auditor's matters arising report.
10. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit to the Committee.
