**FOR THE YEAR ENDED 31 MARCH 2025**

Regulation 10(1) of the Accounts and Audit (Wales) Regulations 2014 (as amended) requires that the Responsible Financial Officer of Cyngor Gwynedd sign and date the statement of accounts, and certify that it presents a true and fair view of the financial position of the body at the end of the year to which it relates and of that body's income and expenditure for that year. The Regulations require that this is completed by 31 May 2025.

The 2024/25 statutory deadlines are shown in the table below along with the extended deadlines provided by Welsh Government.

|                               | <b>Statutory Deadline</b> | <b>Extended Deadlines</b> |
|-------------------------------|---------------------------|---------------------------|
| Draft Statement of Accounts   | 31 May 2025               | 30 June 2025              |
| Audited Statement of Accounts | 31 July 2025              | 31 October 2025           |

The Responsible Financial Officer has not signed and certified the accounts for the year ended 31 March 2025. That's due to the need to resolve technical issues relating to accounting standards as well as the annual challenge of completing the necessary accounts and supporting notes within the statutory timetable. We will work within the extended deadlines.
