It is noted that site T32 has been identified for housing allocation in Beaumaris under NMC 198. Given the inclusion of housing allocation in Beaumaris within policy TAI 5 it is considered that land within other settlements such as Trearddur Bay should be identified for housing allocation. The site at the Old Cricket Ground in Trearddur Bay (Deposit Plan Rep ID: 1042), has planning consent for the erection of 17 dwellings, all issues in terms of flood risk have now been resolved and therefore the site as identified in representations at the Deposit stage is deliverable and should be identified as a specific housing allocation within Policy TAI 5.

It is considered that only allowing local market housing and affordable housing within settlements will weaken communities both socially and economically resulting in an increase in deprivation. It is identified within national planning policy that there is a requirement to provide a mix of affordable and market housing within settlements in order to create and maintain sustainable communities. Restricting housing development to local market housing will result in the social imbalance of settlements and therefore contrary to national planning policy.

The strategy of only allowing local need or affordable housing within settlements such as Beaumaris, Moelfre and Trearddur is also likely to lead to the plan strategy as a whole failing to deliver the required level of housing. The delivery of local need and affordable housing can only be achieved through a balanced and viable development which incorporates a mix of open market and affordable housing.

The 'local needs' housing in effect duplicates the affordable housing provision and is not necessary or deliverable.

No evidence by the Local Authority was presented in the hearing sessions held in September 2016 to show that local market housing would tackle rural deprivation. Therefore, it is considered that the requirements for local market housing in settlements such as Beaumaris, Moelfre and Trearddur should be deleted.

We also object to the housing allocation of site T32, Casita, Beaumaris. The site has benefited from a 10 year historic consent but has not been deliverable, therefore an alternative allocation should be considered.

## Policy TAI 5: Local Market Housing

- 1.1 The proposed changes to the wording of Policy TAI 5: Local Market Housing does not address one of the main challenges which faces rural communities – deprivation. It is considered that only allowing local market housing and affordable housing within settlements will weaken communities both socially and economically resulting in an increase in deprivation. It is identified within national planning policy that there is a requirement to provide a mix of affordable and market housing within settlements in order to create and maintain sustainable communities.
- 1.2 It is vital that rural communities' vitality and attractiveness is sustained and enhanced. Restricting development to local market housing and affordable housing will have a detrimental effect by deprivation of the communities of these settlements and on the economy of Anglesey and Gwynedd. It is emphasised within The Wales Spatial Plan that there is a need to maintain a mix of tenure and size of housing to ensure communities are adequately balanced. Also paragraph 9.1 of Planning Policy Wales emphasises that the Welsh Government seeks to ensure that there is a mix of affordable and market housing within villages. Restricting housing development to local market housing will result in the social imbalance of settlements and therefore contrary to national planning policy.
- 1.3 Housing development in Anglesey and Gwynedd is vital in sustaining rural economy. Developers experience difficulty in funding developments for 100% affordable homes as they are unviable. Restricting housing development to local market housing will result in deprivation as any new housing development would have to provide 100% affordable housing. This will have a direct detrimental impact on the economy of Anglesey and Gwynedd as housing developers are important economic drivers within the rural economy as they generate growth and jobs by providing work to help people out of poverty.
- 1.4 The strategy of only allowing local need or affordable housing within settlements such as Beaumaris, Moelfre and Trearddur is also likely to lead to the plan strategy as a whole failing to deliver the required level of housing. The delivery of local need and affordable housing can only be achieved through balanced and viable development which incorporates a mix of open market and affordable housing.
- 1.5 The “local needs” housing in effect duplicates the affordable housing provision and is not necessary or deliverable.

- 1.6 No evidence by the Local Authority was presented in the hearing sessions held in September 2016 to show that local market housing would tackle rural deprivation. Therefore, it is considered that the requirements for local market housing in settlements such as Beaumaris, Moelfre and Trearddur should be deleted.
- 1.7 We also object to the housing allocation of site T32, Casita, Beaumaris. The site has benefited from a 10 year historic consent but has not been deliverable, therefore an alternative allocation should be considered.

Annwyl Nia,

**Cynllun Datblygu Lleol ar y Cyd Gwynedd ac Ynys Môn – Ymgynghoriad ar yr Amserlen o Newidiadau Materion sy'n Codi (NMCAu)**

Diolch am eich gohebiaeth ynghylch yr ymgynghoriad ar y NMCAu arfaethedig. Rydym yn cydnabod ymrwymiad eich Awdurdod i sicrhau Cynllun Datblygu Lleol cadarn a'r gwaith sydd wedi'i wneud gan y tîm cynllunio ymlaen llaw er mwyn cyrraedd y cam hwn.

Mae'r Newidiadau i'r Materion sy'n Codi arfaethedig ar gyfer nifer y tai sydd ar gael, y cyflawnhad drostynt a pha mor eglur yw'r sefyllfa, i'w croesawu. Mae bellach yn amlwg pa elfennau sy'n sylfaen i'r ddarpariaeth dai a sut y maent yn berthnasol i'r hierarchiaeth setliadau. Mae'r gwaith hwn bellach wedi roi ar ffurf tablau trywydd tai a chyflenwad tir sydd bellach wedi'u cynnwys yn y cynllun. Mae'r Newidiadau i'r Materion sy'n codi o ran yr angen am dai fforddiadwy a'u deiliadaeth, a tharged diwygiedig tair ffordd yn seiliedig ar gefnogi gwaith hyfywedd wedi'i ddiweddu. Mae'r diffiniadau diwygiedig o ran y farchnad, y farchnad leol a thai fforddiadwy yn rhoi'r eglurder sydd ei angen i fframwaith y polisi. Hefyd, mae Llywodraeth Cymru yn cefnogi'r NMCAu ar gyfer Sipsiwn a Theithwyr ac nid oes unrhyw wrthwnebiadau yn weddill o ran hyn. **Ystyriod bod y NMCAu arfaethedig, ar y cyfan, wedi mynd i'r afael â mwyafrif ein pryderon o ran strategaeth, tai, tai fforddiadwy a'r ddarpariaeth ar gyfer Sipsiwn a Theithwyr.**

Yr Arolygydd/Arolygwyr sydd wedi'u penodi sydd i benderfynu a yw cynllun yn cael ei ystyried yn gynllun 'cadarn'. Er ein bod yn credu bod y Cyngor wedi mynd i'r afael â mwyafrif y pryderon a nodir yn ein sylwadau ac mewn datganiadau mewn gwrandawiadau i ddilyn, rydym yn **ystyriod bod rhai materion pwysig sy'n parhau heb eu datrys wedi eu nodi yn yr Atodiad**.

Yn gywir,

NMC 198	<p><u>Polisi TAI 5: Tai y Farchnad Leol</u></p> <p><b>Gwrthwynebiad</b> Mae'r polisi wedi gwella llawer ac mae'r diffiniad o'r farchnad dai leol o fewn y rhestr termau o gymorth mawr (NMC 351). Fodd bynnag, mae Llywodraeth Cymru yn parhau i fod yn ansicr pa fath o dai fforddiadwy fydd yn cael eu sicrhau drwy'r polisi hwn, a sut y byddai'n berthnasol i'r trothwyon a'r targedau o dan Polisi TAI 9: Trothwy a Dosbarthiad Tai Fforddiadwy. Mae'r cymal 'fodd bynnag' yn y polisi hwn yn ychwanegu at y dryswch. Mae Llywodraeth Cymru yn ystyried bod angen eglurhad o'r pwyntiau canlynol.</p> <ul style="list-style-type: none"> <li>• A yw'r trothwyon o fewn y Polisi TAI 9 yn berthnasol i'r polisi hwn?</li> <li>• O dan y trothwyon penodedig yn TAI 9, ai dim ond tai y farchnad leol fyddai'n cael eu caniatáu?</li> <li>• Er enghraifft byddai disgwyl i gynllun 10 uned ym Miwmares ddarparu 30% o dai fforddiadwy (3 uned fforddiadwy). Pam y mae'r trothwy yn y fframwaith wedi ei osod ar 10? Mae angen i'r fframwaith monitro fod yn fwy cadarn er mwyn monitro llwyddiant y polisi yn fwy effeithiol. Byddai cyfeiriad at fonitro cytundebau S016 sydd wedi eu gwrthdroi wrth apelio helpu gyda hyn er mwyn profi llwyddiant y mein prawf cyfyngu ar ddeiliadaeth.</p>

Dear Nia,

**Gwynedd and Ynys Mon's Joint Local Development Plan (JLDP) – Consultation on the Schedule of Matters Arising Changes (MACs)**

Thank you for your correspondence in relation to the consultation on the proposed MACs. We recognise your Authority's commitment to achieving a sound LDP and the amount of work undertaken by the forward planning team in reaching this stage.

The proposed MACs in respect of the level, justification and clarity of housing provision are welcome. It is now clear what components underpin the housing provision and how they relate to the settlement hierarchy. This work has been translated into a housing trajectory and land supply tables that are now embedded within the plan. The MACs in respect of affordable housing need and tenure, and a revised three way target based on updated viability work is supported. The revised definitions in respect of market, local market and affordable housing provide the necessary clarity in the policy framework. In addition, the Welsh Government supports the MACs in respect of Gypsy and Travellers and has no outstanding objections in this respect. It is considered that **the proposed MACs have in broad terms addressed the majority of our concerns in respect of strategy, housing, affordable housing and Gypsy and Traveller provision.**

The matter of whether a plan is considered 'sound' will be for the appointed Planning Inspector(s) to determine. Whilst we consider that the Council has addressed the majority of the concerns set out in our representations and subsequent hearing statements, we **consider there are some important matters that remain unresolved which are set out in the supporting Annex.**

Yours sincerely,

**Annex to Welsh Government's letter (20 February 2017) in response to Gwynedd and Ynys Mon's proposed Schedule of Matters Arising Changes (MAC)**

<b>MAC No.</b>	<b>Welsh Government Comment</b>
<b>Strategy</b>	
NMC 83  <b>Partial Objection</b>	<p><u>New Policy – Development Boundaries</u></p> <p>The Welsh Government supports the additional clarity that this new policy and its reasoned justification is trying to achieve, however; it is not clear what is meant by the phrase “specific support within them”? It is not considered that this would represent a valid planning reason when considering planning applications.</p>
<b>Housing</b>	
NMC 198  <b>Objection</b>	<p><u>Policy TAI 5: Local Market Housing</u></p> <p>The policy is much improved and the definition of local market housing within the glossary of terms is helpful (NMC 351). However, Welsh Government is still unclear what type of affordable housing will be secured through this policy, and how it would relate to the thresholds and targets under Policy TAI 9: Affordable Housing Threshold and Distribution. The phrase ‘except’ in this policy adds confusion. The Welsh Government considers that the following points require clarification.</p> <ul style="list-style-type: none"> <li>• Do the thresholds within Policy TAI 9 relate to this policy?</li> <li>• Under the specified thresholds in TAI 9, would only local market housing be permitted?</li> <li>• For example a 10 unit scheme in Beaumaris would be expected to provide 30% affordable housing (3 affordable units). What type of affordable homes would be provided here? TAN 2 compliant? Or local affordable homes? What type of market housing would this be? Open market or local market homes?</li> </ul> <p>It is essential that the delivery of this policy is monitored effectively given the challenges in terms of viability and finance raised in our hearing statements. Why is the threshold set at 10 in the framework? The monitoring framework needs to be more robust in order to effectively monitor the success of the policy. A reference to the monitoring of overturned S016 agreements at appeal could aid in this respect in order to test the success of the occupancy restriction criteria.</p>
NMC 262  <b>Objection</b>	<p><u>Policy TAI 17: Housing in Local Rural and Coastal Villages</u></p> <p>The definition of Affordable Housing for Local Need (NMC 346) is helpful. However, Welsh Government has similar concerns to those listed above in respect of Policy TAI5. Clarification on the following would be helpful:</p> <ul style="list-style-type: none"> <li>• Do the thresholds within Policy TAI 9 relate to this policy?</li> <li>• Under the specified thresholds in TAI 9, would only general market housing be permitted?</li> <li>• Is the intention of this policy that a 10 unit scheme in Y Fron, expected to provide 10% affordable housing (1 affordable unit). Would the 9 units be open market, and would the 1 affordable unit be for local need only?</li> </ul>
