Section: **Policy CYF5**

Math / Type: **Gwrthwynebu / Object**

Crynodeb o'r Sylw:

Cefnogi'r polisi'n gyffredinol. Fodd bynnag, ceir nifer o adeiladau gwerinol, gwledig nad ydynt yn strwythurol gadarn ond maent yn dal i fod mewn un darn i raddau helaeth ac mae iddynt werth treftadaeth. Dan y polisi sydd wedi'i ddrafftio ar hyn o bryd, byddai'r rhain yn cael eu colli. Fodd bynnag, gellid trwsio'r mathau hyn o adeiladau a chyflwyno defnyddiau hyfyw ar eu cyfer a fyddai o gymorth i ddiogelu'r cymeriad lleol a/neu'r diwylliant Cymreig. Dylai'r polisi adlewyrchu hyn.

Representation Summary:

Generally supportive of the policy. However, there are many existing vernacular rural buildings that are not structurally sound but are still largely intact which have heritage value. Under the policy currently drafted these would be lost. These types of building could however be repaired and viable uses reintroduced which would help to preserve the local character and/or the Welsh culture. The policy should reflect this.
