

Visit Snowdonia Mountains and Coast. Safely.

Now, more than ever, we all have a role to play in looking after each other and our communities.

Things have changed...

By doing the small things people who visit the area can have a big impact on everyone's safety – so please:

Be Safe and Responsible:

- **Keep a 2 metre distance from others and be considerate of them**
- **Wash your hands regularly**
- **Know what to do if you develop any Covid-19 symptoms**

Respect our Local Communities and Resources:

- **Appreciate that communities remain concerned**
- **Respect our landscapes and resources by following notices and guidance**
- **Take your rubbish and waste with you**

Be Patient and Prepare in advance:

- **Not everything will be open as normal**
- **Research and check before travelling**
- **Check guidance as the rules in Wales are different**
- **Consider visiting during quieter times**
