

Proposal to re-organise the schools of the Bangor catchment area Consultation Document

Version for Primary Pupils

May 2018

INTRODUCTION

Gwynedd Council is considering re-organisation in the Bangor Catchment Area.

Before deciding on a proposal to re-organise schools, the Local Authority (Gwynedd Council) must inform you as the school pupils, as well as other relevant consultees, and give you the opportunity to express an opinion on the proposal.

This document tries to explain what this change could mean for you as a pupil.

What is the **purpose** of the change?

Improving the quality of education

Improve the quality of buildings e.g. painting

Make better use of resources e.g. IT equipment

Ensuring a good educational order for the future

Reduce the number of surplus spaces in schools

Provide schools that are important to the community

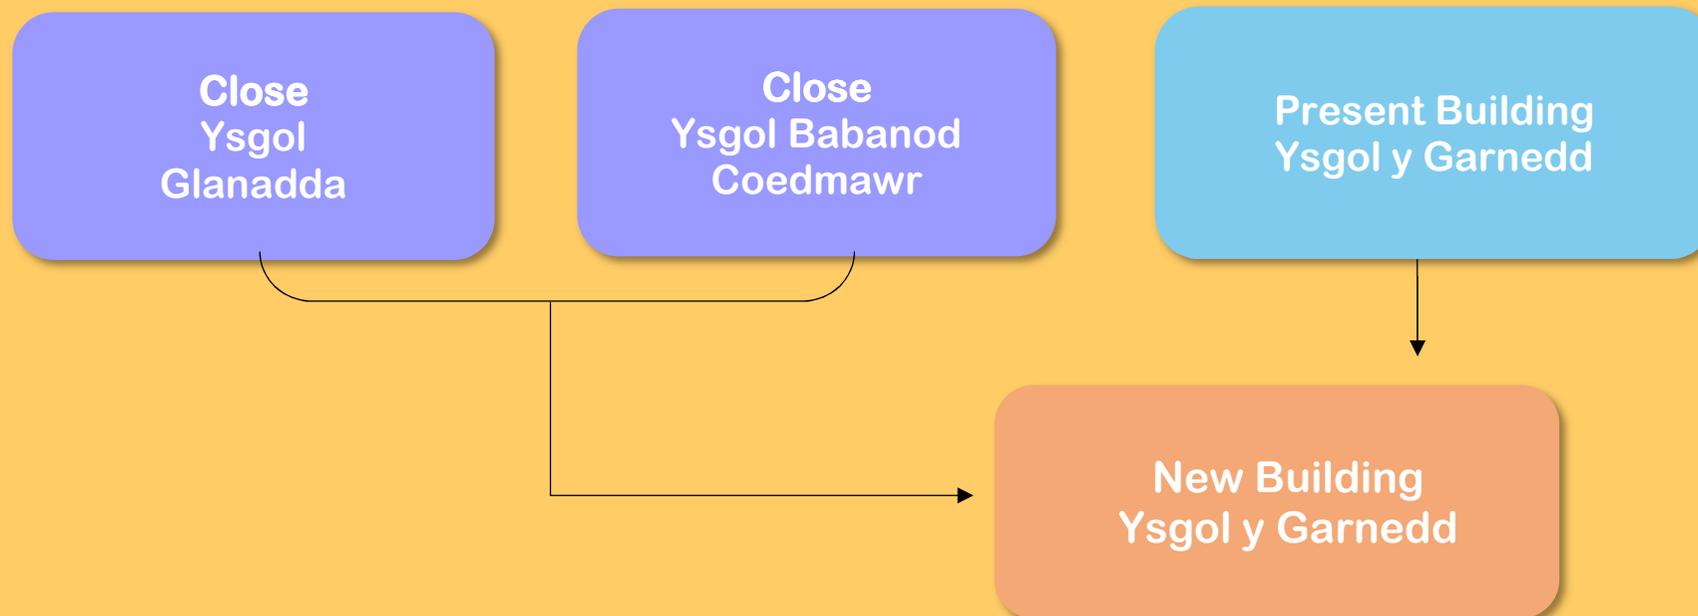

Strengthen the Welsh Language

Class sizes that are suitable

What is the **proposal** in the Bangor Catchment Area?

The option proposed in the Bangor catchment area is to create a new school for Ysgol y Garnedd. Close Ysgol Babanod Coedmawr and Ysgol Glanadda and offer a place for the pupils at (the new) Ysgol y Garnedd. Ysgol y Garnedd's new building will be larger than the current building, and will be able to offer a place for up to 420 pupils.

This this change **means**?

- Ysgol Babanod Coedmawr and Ysgol Glanadda will close
- The new Ysgol y Garnedd will be moved to a new site, not far from the current site.
- Ysgol Coedmawr and Ysgol Glanadda pupils will transfer to Ysgol y Garnedd once the building work is completed.

This proposal will...

- Give each child fair experiences
- Improve education standards
- Improve learning resources
- Provide equal opportunities for all
- Create stability in the area
- Ensuring good education for all

The Council believes that this proposal will strengthen future education for the area

What do you think of the plan?

Before Gwynedd Council has decided on the way forward, we want to know what you think of the proposal to re-organise the schools of the Bangor catchment area.

How can you respond?

Any pupil is welcome to send comments to the Council to express an opinion or complete a questionnaire.

The Council needs to receive your comments by 22 May 2018

Need more information?

- For more information and a copy of the questionnaire, visit the Council's web site:
